

United Methodists Donate to WCK

After sponsoring and volunteering for the February 2012 dinner of the Warwick Community Kitchen (WCK), members of the Warwick United Methodist Church Special Gifts Committee decided they wanted to further help the efforts of feeding the community. Through fundraising efforts, the Special Gifts Committee was able to provide a grant

to WCK to purchase a steel work table and three-basin sink. The purchase of these items has enabled WCK to not only increase their work space but the three basin sink conforms to the Department of Health guidelines, which now allows WCK to use metal pots and pans instead of all disposables that will save the WCK money.
